Dear Hon Judge of the
District Court:

I Was unexpectedly released
from the Penitentiary Regional
Jail after serving only 1/2 my
sentence. I am *not* subject
to re-incarceration b/c my case
that was the basis for my
charges there was resolved in
court.

Now: I wish to immediate
ly proceed w/ my civil rights
action against the jail.

Because I got evicted
from my residence while locked
up: I'm staying in a weekly
hotel in Chesapeake.

Please send me the new
updated court date - as well
as any forms + pleadings to
here. This is my
temporary home for right now.

Very Respectfully,

M Cameron
